SRSO 03- 191	Page 1 of 2	1	2 LO   Revised: 10/04/2007

Mother Janet Spicer Pull out of the property and they helped virgina load My belongings into their patroi car and drove her home and informed me that her car was to be left in my driveway and if I touched it or hadit removed I would be arrested!! They allowed her to break the law knowingly because she was not at my home Previously, she was in possesion of the keys to that venicle and addinitted she drove, They allowed her to take belongings from a home in which she had never resided, placed them in a patrol car and drove ther home while theretning me not to touch the con in my yard or I would go to Jail, I requested a no Tresspass to be placed against there and Misty Otabier with a devial. It is my belief that the only reason an officer would knowingly allow this to happen is because of the officer relationship between Virgina's husband SGT RANDY Mitchell SRSO and the overseeing officer of the Scene, What Misty Stabler and I have is a cival matter which I have no problem Sorting out that is what civil Court is for, Misty Stabler has made it very Clear that She Moved to Texas and had no intention on ever moving back now her intention is to Steal my things with the assistance of 3250 by letting her into my locked and alarmed home in which she has no legal access to. Thank you for your time and the good deeds that Some officers do for my County. 3-26-18
